

Steering Committee Meeting
6/2/15 – Oneonta

Survey results – For easier viewing, the committee would like to see the results with Vital & Somewhat Important combined and Not Important & Somewhat Not Important combined. Steve will work on this and distribute to the committee.

Non-responding libraries were identified & divided among the committee members. They will be contacted and asked to either fill out the survey or describe the most important 4cls services.

Gary – Andes & Fenton
Nancy W.- McDonough & Lisle
Donna Jo – Cooperstown & Milford
Cathy – New Berlin & Stamford
Steve – Bovina Center & Hancock
Connie – Fleischmanns
Tina – Franklin & Otego
Nancy S. – Margaretville & Roxbury
Andrea - Bainbridge

Steve will also break down the survey results by trustees

E-mail addresses should be added to the directory pages on the website

4CLS should consider breaking out the cataloging & processing fees.

The committee discussed the value of 4cls hosting member library websites. Another system has abandoned that service.

Going forward, the system might not be able to offer the same amount of services. It may need to re-focus on the most important.

Next meeting – June 30, 1 PM in Oneonta
