

# STORYTELLER

*Eileen Ruggieri*

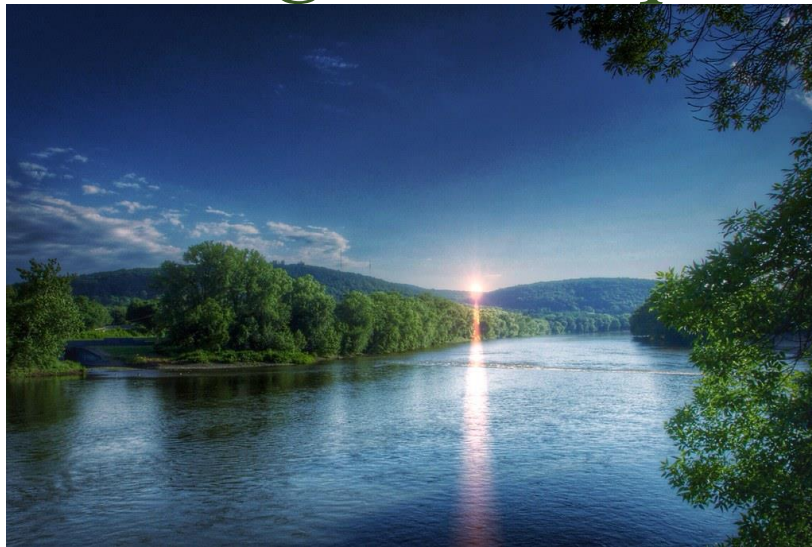

Thursday, June 8

6:00 PM

Afton Free Library

105A Main Street

*“Stories along the Susquehanna”*

Eileen will share stories, folk tales, and legends that relate to the Susquehanna, going back to when it was Indian Territory and when it was first settled by New Englanders after the American Revolution.

The Afton Free Library and Afton Museum have joined together to bring this program to our community. Join us for a memorable storytelling experience!

“She is a traditional storyteller...her audience was enthralled.”
