

Lisle Free Library – Director’s Report

Reporting: July 2021

Programming:

Summer Reading Program: Both the Adult and Kid’s Reading Programs are in full swing and have high amount of engagement and attendance.

The first drawing for the Adult SRP happened on July 9th. We have three more drawings to go!

The Kid’s SRP events have drawn strong engagement and attendance from young families. Several reading participants have already completed the 30 book reading challenge!

Virtual Book Club: July Book Club had four attendants. Conversation is ongoing between my staff and myself about how patrons are utilizing this program and how to improve attendance.

Book Giveaway: Given the wonderful weather during Fair Week, the staff conducted an impromptu book giveaway on Friday and Saturday raising over \$70 in donations.

Technology:

The main circulation desk computer crashed on Tuesday, July 27th. Rick C was quick to set-up the staff with a temporary computer. However, WorkFlows access was not set-up until this week, so staff commandeered the Director’s laptop. Rick C and I are working diligently to get a new computer ordered.

Policy:

Per the New York State HERO Act, all libraries (especially association libraries) are required to have “Airborne Infectious Disease Exposure Prevention Plans” on their policy book. A template has been made available, and I will be preparing our plan in the coming month.

Upcoming Events/Meetings:

- Virtual Book Club: Thursday, August 26th @ 6:30pm
