## **Reporting: May 2022**

### Programming:

*Book Giveaway:* Extensive weeding concluded on the adult fiction and large print sections earlier in the month. From May 19<sup>th</sup> to present, over half of the discarded books were disposed of through an ongoing book giveaway (free-will donations encouraged).

The remainder of the book will hopefully be disposed of through the Baker & Taylor “Sustainable Shelf” program. We have completed our application and are awaiting approval.

### Technology:

The teleconferencing center is in discussion. Installation of the circulation desk computer is still pending.

The outdoor Wi-Fi booster was installed this month. It has expanded our Wi-Fi coverage area to about the size of a football field from the parking lot on east. This project was funded through an e-Rate grant secured by 4CLS. Patron feedback has been extremely positive!

### Policy Development:

Revisions for the Patron Code of Conduct Policy and proposed Meeting Room Policy are still under development and will be submitted to the Board for review in the coming months.

### Grants:

Purchasing selections are still be determined for the upgraded public computer terminal area with respect to the \$2,500 grant from the Community Fund for South Central New York awarded to us in April 2022.
