# Lisle Free Library - 2021 Annual Report -

## Greetings from the Director!

Dear Community Members,

Last year presented more unique challenges to our community and organization. Even so, we gladly rose up to meet the needs of our community.

We have been busy! The Library hosted nearly one hundred events and programs in 2021. Our regular events included take-and-make craft kits for children and families and our monthly book club. We held our first ever "Iditaread" Reading Challenge in March, hosted our annual Summer Reading Program (which we expanded to include adults) and Haunted Week, and even hatched live baby snakes!

As we embark into the coming year, the Library will continue to grow and adapt. Please check our website and follow us on Facebook for updates and other exciting news!

Happy Reading, Cher Douglas
