Lisle Free Library - 2023 Annual Report -

Greetings from the Director!

Dear Community Members & Library Patron,

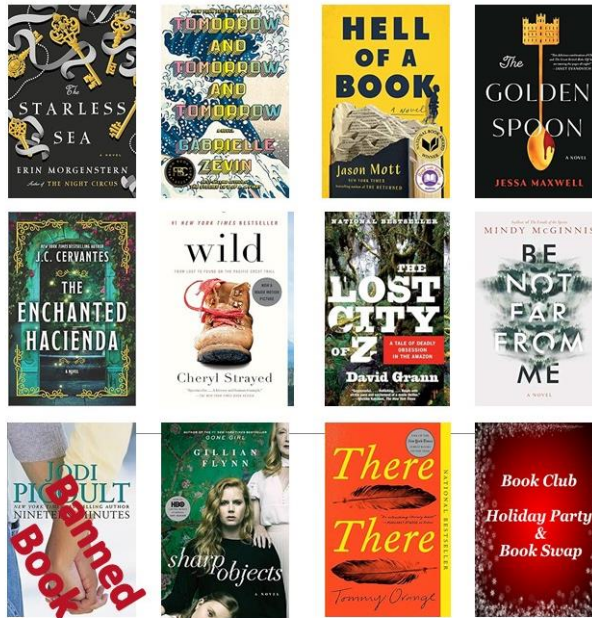

We are excited that 2023 was another busy year at your Lisle Library! A number of events and programs were hosted with the Book Club and children's programming events having the most participation. Our partnership with the Lisle Fire Station continued to allow for hosting even larger events and our local businesses continue to support the Annual Summer Reading Program with their donations.

Furthermore, a number of policies were reviewed and updated. Plus, grants were secured to build a new and improved computer terminal station that also expands our paperback book shelving space so that no more books are out of reach!

As we move through 2024, we invite you to visit what is new at your Lisle Library! Check out our website, "Like" us on Facebook, and subscribe to Wowbrary for updates and exciting news!

Happy Reading, Cher Douglas
