Dear Mother

I have just come from church. I have been down to Trinity. They put on a good many airs there. I think they would all get to heaven just as quick if they did things a little plainer. I went up to Earles Friday and found Aunt Libbie & Stephen & Fanny. I also saw them yesterday up at the Central park. It has been cloudy and dark all the time I have been here so that I could not get any photographs taken. I start for N. Orleans tomorrow morning. I shall go up and see Aunt Lib this evening. Cant write any more now.
