"Any book that helps a child to form a habit of reading, to make reading one of his deep and continuing needs, is good for him."

-Maya Angelou

DIRECTOR'S CORNER

It's amazing that we are in February already; it feels like we just celebrated New Years. Where has the time gone?

Punxsutawney Phil has seen his shadow so the prediction is we have six more weeks of Winter. Contact us at the library to check out items which will let you comfortably and warmly wait out those six weeks; inside where you can stay warm. Check out the list of new items!

As we are still under renovation, we ask that you please call and make an appointment for pickup of items so we can gather your items and prepare them in a timely manner. Please be patient with us during this time as the project is extensive and will take several weeks to complete.

February's family craft project is valentine puppets, stop in the library to pick up the supplies. Each packet has enough supplies for two puppets.
