### DIRECTOR'S CORNER

Renovations are still in process and we are trying to complete them as quickly as possible. We ask, for now, that you please call and make an appointment for pickup of items so we can gather your items and prepare them in a timely manner. Please be patient with us during this time as the project is extensive and will take several more weeks to complete.

For March we have put together a family craft project related to the book *The Mitten* by Jan Brett. You can request and pick up the craft packs at the library. We will have a second project this month in honor of St. Patrick's Day as well.

Please check out our Facebook page for virtual story times brought to you by the Stories Come Alive program in collaboration with the Richfield Springs Community Center, read by Jackie Hinckley.

Book club is still meeting each month, and will be meeting in the memorial room at 6 pm on the first Tuesday of the month. The next meeting is April 6. Please see the BOOK CLUB NEWS.

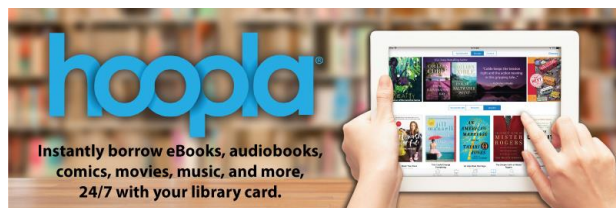

If you are unable to come to the library, check out Hoopla, Overdrive and Libby for the collection of eBooks, Audio Books, Movies and Music, which Four County Library System has to offer. You can access these using a Kindle, Ipad, or smart phone. Just download the apps from your systems Appstore.
