"A library is a good place to go when you feel unhappy, for there, in a book, you may find encouragement and comfort. A library is a good place to go when you feel bewilderment or undecided, for there, in a book, you may have your question answered."

Every month we have a take home craft available to pick up at the library as well for families to do together at home.

If you can please post a picture of your completed craft on one of the story links, we will give away a free book to anyone who takes part!
