"Cultivate the habit of being grateful for every good thing that comes to you, and to give thanks continuously. And because all things have contributed to your advancement, you should include all things in your gratitude."

DIRECTOR'S CORNER

November is here, it's hard to believe we are almost through another year, time is flying by!

This month we have a few things going on, Tuesday, November 16th at 3:30 pm we will have a Fidget Bracelet Craft Program. Join us and make your own fidget bracelet(s), and/or make a gift to give in the upcoming holidays.

Friday, November 19th at 4 pm we will be showing the movie A Charlie Brown Thanksgiving.

Tuesday, November 23rd, is our next Creative Writing and Art Class at the library. Creative Writing starts at 5 pm, if you are interested in joining other creative individuals who like to write and brainstorm ideas, join us. At 6 pm we will increase the creativity with Art Class, join us for an hour of drawing and or painting.

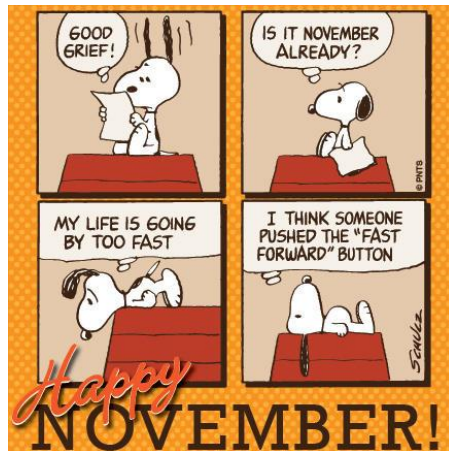

Please contact the library or stop in to sign up to attend the programs. This helps us prepare enough space for all to work in comfortably, and determines if there are enough individuals to hold the program that day. Please if you have signed up; arrive on time to take full advantage of the program.

At this time, we do not have a Book Club book date for the next meeting, if you are interested in joining please contact the library to let us, and we will set up a date for the club to start again.

Have a Happy Thanksgiving!
