

William B. Ogden Free Library
MEETING SPACE POLICY

Policy

The library does not have a private meeting space for use by public groups and organizations. The primary purpose of the meeting space at William B. Ogden Free Library (WBOFL) is for library sponsored events.

The library draws upon community resources in developing programs and actively partners with other community agencies, organizations, educational and cultural institutions or individuals to develop and present co-sponsored public programs and events according to the [Library Program Policy](#).
