It's spooky time! But many of you may already know that for me, everyday is spooky time. ☺

Join us on October 24th at 7 pm for the 50th Anniversary Rocky Horror Picture Show Viewing Party! Come dressed up, with props, and ready for trivia; prizes will be given for the biggest fans with the most knowledge.

This is an event for adults, teens are welcome with parents.

Refreshments will be available, join us for a night of fun and laughter!

This month we have brought back the library Book Club. Available now at the circulation desk is this month's book club book, *Fourteen Days* by Margaret Atwood and Douglas Preston, available in large print, regular print and audiobooks. Pick up a copy today and meet with us here at the library on October 28th at 6 pm, to discuss the book and vote on the next one!

The Children's Art Program this month will be held on Tuesday, October 7th at 3:30 pm, we will be making some spooky crafts, then on Tuesday, October 21st, we will carve or paint pumpkins (bring your own or we will have some available).

The Teen & Adult Art Program will be held on Tuesday, October 7th at 6 pm, this program is open to all teens and adults interested in art, you can use the multitude of art supplies and equipment we have on hand to create your own art, and enjoy some time with like minded people. There is no instruction unless otherwise posted for special program events, or if you need help with a project you are working on.

We have a new app available from the Four County Library System, which allows patrons to access graphic novels, manga, and comic books for free! Check out the app on your phone, kindle, or iPad (any tablet should be able to access it), ComicsPlus.

You will need your full library card number to login, no spaces, and your pin # which we set up as the last four digits of the phone number you provided when you sign up for a library card. When it asks for your library, search for Richfield Springs Public Library, NY.

This app has all age levels available which can include mature material, so parents, please check it out and set up restrictions for your children! If you have any issues logging in, give us a call and we will help, or stop in at the library with your tablet or phone.

If you would like to be a feature artist of the month, at the library, and display your artwork or things you make, please fill out our online form available on the website, or follow this link.
