The Garden Club of Richfield Springs has the library board's permission to use the Scouts space, as the Scouts regional coordinator told us to use it as we see fit, for storage of the Christmas decorations and plant pots. This can occur until we receive funding to expand our usage and renovate downstairs, then we will have to revisit the decision. If the Garden Club has any questions or concerns, please come chat about it with the Library Board of Trustees and share goals.

Can the village help with the construction fund matching amounts? At most there is a 25% responsibility for the remaining balance of any construction needed. As the NY State Library Construction funds will not be received until October to November, the costs of planned construction items may have increased by the time we are able to begin, which will increase our responsibility expense.

Overdrive expense is increasing 10% through Four County, board approval: Jackie, Rebecca

Next meeting July 14th, 11:30 am. Time change for July only.

Motion to adjourn at 5:33 pm – Rebecca, Jackie
